37 Walker St., Baltimore, Dec. 1881.
For six years I have been a great sufferer from Blood Disease, Dyspepsia, and Constipation, and became so debilitated that I could not retain anything on my stomach, in fact, I had almost become a burden. Finally, when hope had almost left me, my husband seeing Brown's Iron Bitters advertised in the paper, induced me to give it a trial. I am now taking the third bottle and have not felt so well in six years as I do at the present time.
Mrs. L. F. GUYRIN.

BROWN'S IRON BITTERS will have a better tonic effect upon any one who needs "bracing up," than any medicine made.

Woman's Friend.

Having been troubled for many years with kidney disease, with severe pains in my back and limbs—my ankles were at times very badly swollen—I was advised to go to the hospital for treatment, which I did on the advice of a friend, but found no relief, at least, not of a temporary nature; and I had given up all hope of a cure until my husband was a friend to use Hunt's Remedy by a friend that had used it and been cured of a severe case of dropsy and kidney trouble. I procured a bottle, and had not used one-half of the bottle before I began to be better, no pain in the back, and the swelling of my limbs commenced to go down, and my appetite was much better, for I had become so bad that all I ate distressed me very much. It was really dyspepsia, combined with the other troubles, and I have used four bottles, and am able to do my work and attend to household duties which before had been a burden to me, and I can only thank Hunt's Remedy for the health and happiness which I now enjoy, and esteem it a great privilege and duty to give you this letter in behalf of my many suffering lady friends in Boston and the country, and can only say in conclusion that if you once try it you will be convinced as I was, even against my own will, that Hunt's Remedy is indeed a woman's friend.

You are at liberty to use this for their benefit if you so choose.
Respectfully yours,
Mrs. WM. GRAY.

Hotel Goldsmith, 1410 Fremont street, Boston.

ABACOGAGE MASTER'S PRAISE

Mr. H. Barny, baggage master on Eastern Railroad, Boston, says, "I have used Hunt's Remedy, the great kidney and liver medicine, in my family for months. It was recommended by friends in Portsmouth who have been cured of kidney troubles, and I find it just as represented, and worth its weight in gold. My wife is using it for dyspepsia, and has improved so rapidly that I cheerfully indorse it as a family medicine of real merit, and I would not be without it."
